## ABOUT US

Austin Christian Academy (ACA) is a Pre K-12 Faith based school offering Christian education that conforms with the Department of Manitoba Education's goals and requirements. We are a school of educational excellence serving families since 1981.

ACA is an independent, non-profit, educational facility designed to meet the needs of the Christian community by providing a quality education from a Biblical perspective.

All of our Preschool to Grade 12 classes are taught by Christian teachers who love to bring Christ and His Word into both curriculum and classroom

Together we partner with Parents and Guardians to introduce young people to the God who made them, and who has a plan and destiny for their lives. We believe that educating in a God-centred environment that is conducive to learning as well as promoting Christian values that extend beyond the classroom walls leaves a lifelong imprint of love for Christ as well as a storehouse of wisdom and knowledge.

## WHY CHOOSE ACA?

All schools teach from a system of beliefs about humanity, life and the universe. At ACA our teachers believe:

1. God is the creator and sustainer of life.
2. There is no absolute truth or goodness apart from God. The truth we find in any area of study has been placed there by God and is meant to point humanity to himself.
3. God created each child, and adult, with a purpose for their lives. We are all of infinite value to God.

So, as we cover all the mandated government curriculum we strive to commit to the above beliefs and hold them to the strongest importance.
